SP298

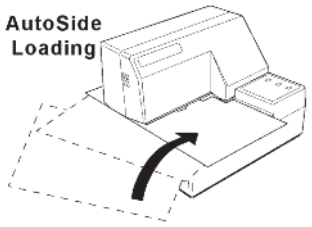
Reliable, Cost Effective Slip Printer

The The SP298 is the ideal printer for printing "company branded" pre-printed multi-part slips/forms. In many hotels, owners used the same printed form through the bar, the reception, the restaurant or gift shop. The SP298 is world famous for its "tab" capability: additional items (drinks or desserts) can be printed as ordered, due to the auto alignment and positioning feature.

Visit www.starmicronics.com to learn more.

Typical Applications

- **Hotels** Use the same pre-printed document throughtout the hotel
- **Restaurants** "Tab" features
- **POS** Worldwide famous in gas stations, stores & banks
- **Retail Bank** Check Validation



The printer features unique paper AutoSide Loading™ making document loading quick, easy and reliable. The user can simply introduce a form into the side of the station and the printer performs automatic document clamping, instant top of form alignment, fast printing and selectable forward or reverse document eject.
